# Invitation

Dear friends, athletes, coaches, teams, organizers and volunteers,

We would like to welcome you in Slovakia, in Bratislava at International Canoe Sprint Junior Regatta.

In these strange times, when not only the sport struggles and fights for the possibility to organize not only competition but also basic training process, we are pleased to host in Bratislava, not only the European, but the world's best junior athletes. We believe, the time cannot be stopped and we need to move forward and give the possibility to young athletes to compete, compare themselves with others and improve their skills. Our goal is to prepare quality competition with perfect condition at the course and comfortable background, with focus on health & safety.

We believe this Regatta will be a fresh start to season 2022. We are happy to welcome athletes from over 12 countries here in Bratislava at the new venue Zemnik including the Europe's top. Every year we can see here future European or world champions or at least medallists from these championships and this year will not be different.

We would like to wish you the successful competitions, good results of your athletes and a pleasant stay in Bratislava, Capital of Slovakia.

## Information about Bratislava

Bratislava is capital city of Slovakia located in the Central Europe. City is well connected with neighbouring capitals and international airports by international highways. Population 520 000. The capital of Slovakia attracts visitors with its rich history and landscape, as well as its modern buildings. Visitors can't miss Bratislava Castle, with its own Historical Museum and surprisingly quaint gardens overlooking the city. Stroll down the picturesque streets of the district under the Castle towards the Old Town, featuring the remarkable St.Martin's Cathedral. This Gothic Cathedral witnessed the coronation of 19 Austro-Hungarian kings and queens, including Maria Theresa, whose importance was felt throughout Europe. The Main Square, extremely rich in historical and cultural monuments, draws visitors in with its charming atmosphere. Here, you can also find several palaces, the Bratislava City Museum, the Old Town Hall, and Roland's Fountain, all serving to enrich the atmosphere. Visit the Primate's Palace, with precious English tapestries from the 17th century and beautiful displays in its Art Gallery. We must mention the nearby Blue Church, an Art Nouveau gem with blue plaster and roof. For sightseeing in Bratislava, you can also hop on the small historical train and explore the entire city, beginning from the Castle and ending in the streets of the Old Town. This train runs throughout the year. On the right bank of the Danube, relax in the oldest public park in Central Europe called Sad Janka Kráľa, which was founded by Maria Theresa. At the end of the park, you will see the suspension Bridge of Slovak National Uprising, whose UFO café offers amazing views of the city's surroundings. Enjoy a trip down the Danube on a sightseeing boat. You can choose from among several different routes, like a cruise around Bratislava, one up to Devín, a cruise on the other side to Gabčíkovo and much more.

## How to get to the Venue

### BY ROAD

Bratislava is situated directly on country borders with Czech Republic, Austria and Hungary. Bratislava is well connected to neighbouring capitals by international multilane highways. Within Slovakia, the D1 motorway connects Bratislava to the east of the country (direction Košice, Krakow), the D2 motorway connects Bratislava with Hungary to the south and the Czech Republic to the north and D4 motorway connects Bratislava with Vienna. Entry to venue is from roundabout (Zuzany Chalupovej Street) exit "Hrádza" and follow signs "Slovenská kanoistika".

## BY AIR

If you want to fly to Bratislava, you can choose between the city's own international airport and Schwechat airport in Vienna, which is about 45 km from Bratislava and connected by regular shuttle buses. Regular flights link these airports with many major European destinations.

## BY TRAIN

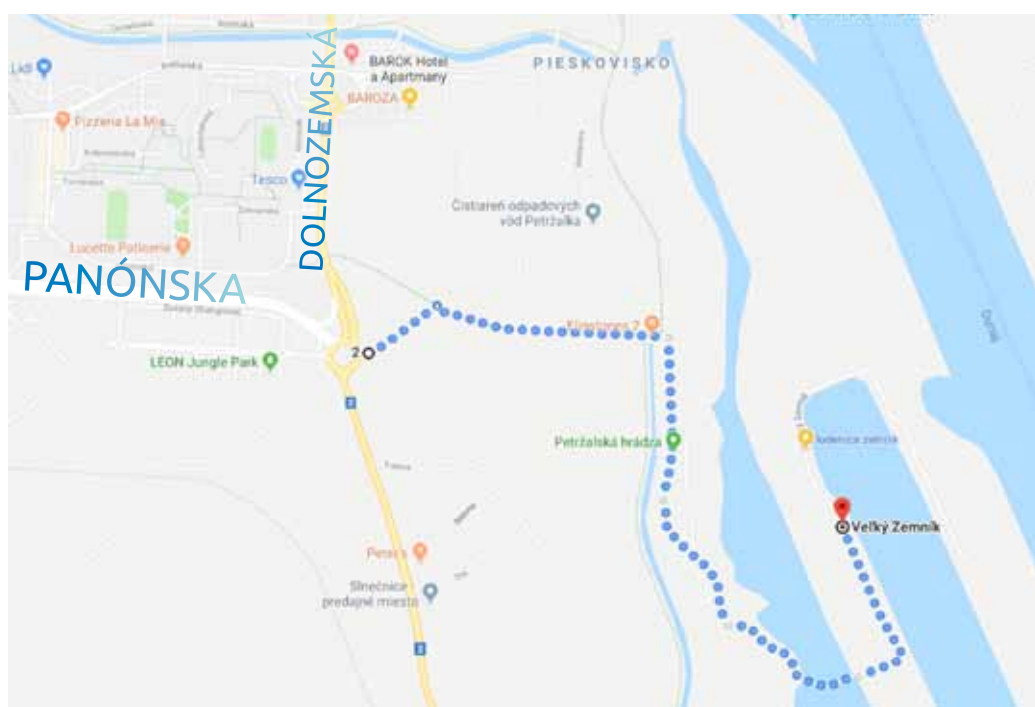

International trains to Bratislava's main railway station run from Vienna (1 hour), Budapest (3 hours), and Prague (4-5 hours) several times a day. There are less frequent direct connections to Berlin, Bucharest, Kiev, Moscow and Warsaw.

The main railway station is a short distance from the centre and there is a good connection to city public transport; alternatively, walking takes 15-20 minutes. Trains from Vienna also arrive at Bratislava-Petržalka Station, which is to the south of the city centre across the Danube River.

## BY BOAT

Perhaps the nicest way to arrive in Bratislava is by riverboat, via the Danube. The Rhine-Main-Danube Canal links Bratislava with the North Sea; the Danube River connects it to the Black Sea.

Cruises along the Danube have been a big hit with tourists for many years. River cruises go to and from Budapest, and a scheduled passenger service, the Twin City Liner, connects Bratislava and Vienna by high-speed catamaran several times a day during summer.

## Visa Requirements

The Organizing Committee will assist in processing Immigration visa applications for all participants of the Championships.
